Bi-Weekly Conference Call – Draft Agenda
 Dec. 14, 2004
 CAHA Off-Road Vehicle Management Plan/EIS

★ #172

1. Update on Action Items from last call

- a. Status of reg-neg and NEPA processes (Sandy call to IECR) *12/22-Draft Request for*
- b. Status of response to Wilderness petition, ORV petition, Piping Plover Critical Habitat case response, – Michael Edwards

c. Update on data collection.

i. Need from Park:

1. ~~1984 ORV plan~~ (see handout with "1974" handwritten at top – is this a mistake? The plan references 1977 and 1978 on page 2, so maybe this is the 1984 plan).
2. ~~Informal ORV plan for north/south sound side access~~
3. Four wilderness plans (those that were FOIA'd) *Wilderness Society FOIA'd for wilderness plans*
4. Outer Banks Chamber of Commerce economic impact analysis
5. All past visitor use surveys
 - a. ~~Margaret Littlejohn study from 2002~~
 - b. Outer Banks visitor use survey *GPRA annual*
 - c. OBPA informal visitor use survey
6. NC State study on American Oyster Catcher - *Steve Hamilton*
7. VA Institute of Marine Science ecosystem study - *Dec/ba*
8. Keith Watson draft plan from Steve – AVM Conservation Study
9. COE studies – ~~related to Woods Hole?~~
10. ECU – Stan Riggs study on estuarine shoreline changes *USGS, NCGS – continuing Rebecca Powers*
11. CAHA beach nourishment guidelines - *DC for approval*
12. CAHA transportation study for Ocracoke (2005 estimated completion date)
13. CAHA protocols for listed species - *USGS to develop in Spring*
14. NPS-USFWS agreement on visitor use - *managing rec. activities*
15. ~~CAHA historic resource study~~
16. CAHA ethnographic study (San Diego firm doing this) *draft Dec/ba*
17. ~~Info on escarpments created by beach erosion~~
18. Documents in public library - *EQD need Mary list*
19. Park mailing list to Berger

ii. Need from EQD:

1. "primitive wilderness" research *JAN 15*
2. ~~email CAHA admin record template and DO on admin record keeping (done)~~

3. ADA/Wilderness research ***
4. ~~NPS definition of wetlands (done)~~
5. Marine Mammal Protection Act and ORV use [Jan 15] research
6. Coastal Zones Management Act and NC CAMA research
7. ~~Sandy's IS notes to Dana~~

2. New Action Items – Data/Info. needed

a. CAHA

- i. fly-over photos from NCDOT (to document numbers of ORV on the beach across time *Jeff Cobb*)
- ii. Any additional items from Dana's e-mail?

b. EQD

- i. Migratory Bird Act and ORV's, MOU b/t USFWS & NPS (done) *Tracy*
- ii. Kym Hall's replacement in the Ass't Secretary's office (done) *Jerry Case*
- iii. Local ORV regs – do comparison (*Miranda*) *Regulations mgr.*
- iv. Follow-up with Cameron Binkely – Historian, SERO (done) *through and up*
- v. Any additional items from Dana's e-mail?

1.b. Wilderness Petition – wilderness designation

- ORV petition for rulemaking – awaiting action
- PP critical habitat case response – FWS not appeal; remand
 - 4 units litigated should not be treated as such critical habitat
 - FWS repopose designation
 - don't manage as critical habitat
