ORV Planning Question

Subject

Hi Mary!

Hope all is well over in NC! As we have about 8 inches of snow coming around where I live tomorrow, I am looking forward to visiting you all for reg-neg at the end of the month.

In the mean time, we are trying to get prepared for the alternatives development meeting in March and for that are trying to get an accurate picture of the no action alternative. Part of that puzzle is interp of course and while I have a lot of the information about what you are doing for interp related to ORV, I am looking for updated information about the number of staff and how they are distributed. Would you be able to send that to me?

What I am looking for is basically

1. How many interp staff are there
2. How are they distributed among the Outer Banks Unit 3. Are there any staff that are responsible for interp/outreach related to ORV use specifically?

That should do it! Any input you can provide would be extremely helpful.

Thanks,  
Lori
