Mr. Murray,

In recent weeks a lot has happened. I want to extend my hand in telling you thanks for all the hard work and dedication you show to Cape Hatteras NPS. I am a member of OBPA, NCBBA, CHAC, CHAPA and believe in freedom like stated in the 1950's. I also want to protect the wildlife. I protect and serve everyday as a Paramedic/ Firefighter. I am sending you this signed petition by 3800 people in 3 days which is almost 1300 per day. That is strong. As you know dealing with budgets, there are strength in numbers and we plan to stand tall and will. If there is anything I can do please call me at anytime.

Regards,  
Brian Trotter

## Cape Hatteras Access Preservation Alliance

Published by on Apr 30, 2008

### Petition History and Background:

Welcome to the Cape Hatteras Access Preservation Alliance or CHAPA. CHAPA was formed by the Outer Banks Preservation Association, along with the Cape Hatteras Angler's Club and the North Carolina Beach Buggy as Charter members.

CHAPA was formed in the hopes that the access privileges of all the different user groups for Hatteras and Ocracoke Islands could be represented and not just the needs of the fisherman.

CHAPA believes in "Free and Open Access" for all users and is working diligently to unite fisherman, surfers, kite boarders, wind surfers, shell seekers and all other forms of beach goers, so to protect their access on Hatteras and Ocracoke Islands.

### Petition Text:

We, the undersigned, request to be heard thru this petition for the parties involved understand where we stand on the Cape Hatteras Recreational Park.

Protect our access to Hatteras and Ocracoke Islands.
