Mike

I'm well aware your a government employee and God Bless You. Your retirement is your zenith, but the closures today are an absolute bunch of BS. If you would stand your ground I will guarantee the backing needed to bring this totally ridiculous situation to the nations press. I know its easy for me to say, but I would certainly sleep better doing the right thing and knowing what I had in my pants.

Thanks anyway-

I know your busy coddling the greenies, so you or your secretary doesn't have to respond.
