Subject: Loss of access to the Recreational Park
Date: 05/13/2008 05:26 AM

Dear Sir ,

I am writing you concerning the loss of access to premier parts of the recreational park. First, was the park not designated for the public for recreational use ? Was Pea Island not designated for Wildlife ? Why are the premier areas closed for birds that are not endangered or even threatened ? Why are the beaches to the recreational park closed at night when there is by average, the same amount of false crawls as there are on Pea Island Refuge, Cape Look Out and the Core Banks?

I know about the Consent Decree, I've read it, and now I have to worry about more and more access being denied to me because some wacko enviromento decides all they have to do is knock down a few post and they can get more of what they want ...beach closure . How wrong is that ?????? To let special interest groups, and a federal judge hi jack public lands and ban the public which it was designed for. This has got to be a sick joke !

Sincerely,
Jesse Justice
