CONVERSATION

Date May 15, 2008 Time 1:00p

RECORD 

Name: Holly Niederriter

Organization: State of Delaware, Division of Fish and Wildlife

Phone: 302-739-9912

I had a brief conversation with Holly, asking her to describe the field protocol that the state of Delaware used for the management of piping plovers. Holly stated that the state of Delaware follows the protocol outlined in the United States Fish and Wildlife Piping Plover Recovery Plan.

Lined area for handwritten notes.
