RE: Cultural Resources @ CAHA

Q Have any arch sites been added since the ASMUS search in (Sept) 2007?

A No

Q What prehistoric chronology do you use?

A No specific; talk to Guy Prentice @ SE and center

Q Have any LCS structures been added since Sept 07?

A (43 vs 40 in ~~ASMUS~~ LCS list)

↑ use that

Q any shipwrecks in LCS? Where'd list of wrecks come from?

A No (Laura Bamber study) - wrecks come from NC State Underwater Archeology Branch catalog tag system

Q Any other CLIs or CLR's than the AHT light station? - in

A (The 1997 RMP lists six CLs associated with districts: what are they??)

A CLs = five = Bodie, Little R, Cape Hatt

RE:

Q Is the horsehead still managed as a "cultural resource" (RMP)

A Not any more.

DNA testing reveals mixed blood.
Yeast

Q Are any ~~None~~ of the archy sites are nominated or listed on "NRHP" (Thompson 1977 study)

yes - some list foundations

eg. CAAA org. ← (most of what's in ASMUS)

some underwater now

not much done since 1977 for archy - ask Gary Prentice

→ just finished admin history for CAAA - should be on line soon
