Carl,

Thanks for passing along the suggestion. I've forwarded this to Kenny Ballance to evaluate what could be done to address the issue.

Subject Beach Access Type Identification

Mike –

This morning, I had a call from Commissioner-candidate Sharon Spencer about a conversation she had with Alan Sutton, owner of Tradewinds Tackle, Ocracoke. I followed up with Alan, who said he is getting people in their shop who get confused about beach access points for those utilizing a 2 WD versus 4 WD. One example he mentioned was folks in a 2 WD driving our Southpoint Road and finding no parking for 2 WD so they can use pedestrian access to the beach. Alan suggested signage and other public service info for people accessing the beach in different ways.

One thought -- This is something you might want to bring up as a cooperative effort with the Ocracoke Civic and Business Assoc. (Rudy

Austin, President).
