---

Mr. Murray,  
From us surf fishermen.  
We need to have a word in all of this.  
We want the best for all.  
I have seen turtle hatchlings on the beach and called the Game warden, they came out and roped the area off.  
If it wasn't for the turtles and the birds, the fish would not be there either.  
We all can share the beach.  
I take a trash bag everytime I go to the beach.  
I have picked up 3 bags of trash before.  
I smoke. I keep an ash tray beside me.  
I don't leave anything on the beach but footprints.  
Most of the trash is not from fishermen. It washes in from the ocean.  
99.9 % of the fishermen respect the beach.  
We just want a fair shake.  
I work hard for my vacation time, which I will visit Buxton 5 or 6 times a year.  
I could spend my time and money elsewhere. But elsewhere is not close to our little place in heaven.  
Thanks for your time.
