**Subject:** info on ledge collapse incidents

Hello All,

I talked with Jon Anglin CAHA Bodie District Ranger, who was acting yesterday for Nora Martinez as Chief Ranger at CAHA. Jon told me that in his 10 years at CAHA he recalled 2 or 3 incidents on the beach parkwide where sand ledges had collapsed under a vehicle. All resulted in an expensive tow, but none in a roll-over. In one incident the vehicle was submerged.
