Hi Carol,

No problem, glad to do it. Attached is the Excel spreadsheet with 2008 Commercial Fishing Permit logs, again for the 3 locations - Manteo, Buxton, and Ocracoke. It looks like some of these fishermen didn't get their permits until after the first of the year, so we may have more for the 2009 list later.

Let me know if you have any questions about this one. I'll be off for a couple of days around Thanksgiving, so if you need additional information, I'd be happy to get it together next week.

Hope you have a nice Thanksgiving holiday.
