Hi Kate.

Do you know when the Oystercatcher became listed as a special concern species?

Thanks.

Mr. Whetmore,

Please find attached the current Administrative Code listing endangered/threatened/special concern species in North Carolina. The American Oystercatcher is a special concern species.

Regards,

Subject: updated species status

Hello.

Where can I obtain the latest list of the species status as designated by the NCWRC? I found the latest PDF, but it doesn't have a date on it and I'm pretty sure the Commission has assigned a status to the American Oystercatcher.

Thank you.
