Britta,

I have copies of Barbee (1994) and Callazo (1995). Do you have a copy of Harrington (2008) or know where we might find it?

Subject New bird info

Mike

When I asked Walker what shorebird studies were new he listed these three: Callazo et al 1995, Barbee 1994 and Harrington 2008. Interestingly, I find a "Collazo, J. A., J. R. Walters, and J. F. Parnell. Undated" on his list of "Waterbird and Shorebird Literature" that he sent out on 10/31/08, so maybe one of his "new" studies was not new but spelled incorrectly on one list.

Do you have access to or been supplied any of these three "new" studies that Walker virtually accused you of hiding from him?

Larry
