How refreshing! A place where people really care about birds and volunteer to help them. This beach was able to have greater success ( 3 fledglings, 3 nests) than CAHA did at Cape Point (3 fledglings, 5 nests) and with 5000 people enjoying themselves.

They have eager volunteer monitors, great public education, and no loss of jobs or fun! Do you think they have the right attitude towards birds and people?!!!!

Barbara Ackley
