Mike... some time back I send these corrections up but guess they never got entered. Will fax to your office these changes so that you can see them on paper. This will make more sense to you.

Starting to the north end of the island. the following corrections needs to be made :

Cockrel Creek should be changed to Barrow Pit Road

Hammock Hills on the map should show Hammock Hills Nature Trail

Sound side road on South Point has always be addressed as Shirley's Lane in the park for years

Note : There is two other locations that needs to be included :

1. Just south of Ramp 67 is Hammock Road which is a sound side road we keep under lock and key for local fishermen as well as Quork Hammock
2. Just south of Hammock Hills Nature Trail is another sound side road which is named Dump Station Road

Let me know if you need anything else... this should take care of all of our corrections down here. Sorry, don't know what happen to the last ones I sent up .

Kenny
