Doug-

This is the correction sheet for last year's CWB report that was finalized prior to proper review. There shouldn't be any more changes to this Appendix.

(See attached file: New Appendix A for 2008 CWB Report (DRAFT)rev 10-16-2009.docx)

Thayer-

You may want to replace the previous version I sent to you on 9-15-2009. On page 2, 2007 BLSK nests should total 11 (not 10). As far as I know the official correction to the report has not been sent out yet.
