Subject CAHA wetlands 4

Hi Sandy.

I've attached my revision of CH 4 wetlands. Please note that Alt-B changed from NEG-MIN to MIN and Alt-F changed from NEG-MIN to NEG. We can discuss if you want to, but I felt that A and B should be the same and that the removal of a new soundside access point in F would drop the impact down a bit.

I also revised the table at the end to make it easier to read. Please let me know if you have any questions.
