Mike,

Hope all is going well with you and family at Cape Hatteras.

To obtain a copy of the ORV registration form, follow the link from the Seashore's ORV web page <http://www.nps.gov/caco/cape-cod-national-seashore-oversand-beach-driving.htm>

From this page click on "To obtain an Advanced Sales System form" and this will link you to the pdf file.

I've also attached a bmp file that contains an image of the back page of the permit application we had visitors fill out when there were lines to get ORV permits. This page had the regulations which the visitor signed - your name is on the old form as the authorizing official. We now use a separate document that they sign after reading through the regulations. I would recommend having something similar when you get into the permitting process. The file has been compressed so I could email it.

Hope this helps. Let me know if you need anything else.

Happy Holidays.

Subject ORV question

Hi Craig,

We are still working on our draft ORV plan and proposed rule, which will likely include an ORV permit requirement. We are being asked for our ORV permit "application form" so WASO can determine whether it isn't (or is) an "information collection" under the Paperwork Reduction

Act (PWRA). We have not gotten far enough along to have developed a form and won't get to it soon. Could you please send me a list of whatever information is requested at CACO of park visitors seeking an ORV permit (name, address, licence number, etc.). If you have a "form" or an electronic fill-in-the-blanks template, it would really help if you could send us that.

Hope you and the family are doing well and looking forward to the Holidays!
