Mike,

Jon Anglin advised the state regulation only allows haul seine fishing south of Ramp 4 from around Jan. 1 until early April. He can remember only about 4 to 6 times he has seen this fishing in this area. The rest of the year haul seine fishing is not allowed south of Ramp 4.

I'm sending David Carter an email about Hatteras Spit. He's on leave this week. I'll also copy Brad Griest and Acting DR Jeff Goad.

Thanks,
