Hi Pat,

Thank you for your comments. Multiple factors were considered in establishing the public meeting schedule and there were potential conflicts of one type or another with almost any set of dates we could have selected. As indicated in the press release and Federal Register Notice, comments may be submitted any time between March 12 and May 11, either electronically via the PEPC website or in writing by mailing them to me at the park address. The scheduled meetings are an alternate way for the public to submit comments; however, comments submitted via any of the ways described in the press release and Federal Register Notice are given equal consideration.

Good evening Cyndy and Mike ~

Just a note....Do you all realize that the Ocracoke Island Surf Fishing Tournament "OISFT" begins with Registration on Wednesday, April 28th and runs through Friday evening, April 30th, in direct conflict with the dates chosen for the public meetings on the ORV Management Plan / Draft Environmental Impact Statement to be held in Hampton and Raleigh?

I feel sure that a good number of interested folks will be involved in that event.

Thanks,

Pat
