Cyndy, I went to the link below and when I clicked on more information, the paragraph below popped up. Can folks submit comments through a third party like this? I heard a couple of people at the hearings talk (not during comment portion) about they couldn't collect comments and drop them off together because it wasn't allowed.

Comments submitted through the Audubon Action Center are sent directly to the electronic form published in the Federal Register Notice. If you prefer, you can mail your comments to: Mike Murray, Superintendent, Cape Hatteras National Seashore, 1401 National Park Drive, Manteo, North Carolina 27954.
