Mike,

You are correct. The seasonal closures are lifted Sept.16, not Sept. 15.

Subject seasonal closure dates

Paul,

For the seasonally closed areas (village beaches, etc.), the compendium states that "Dates of seasonal closures shall be May 15 through September 15 of each year..." which I understand to mean that the seasonal closures would be lifted on September 16 (not the 15th). Is that a correct understanding? (Just trying to confirm the correct wording to use in the Beach Access Report.)

Thanks,
