Hi Lori,

Your item #9. Concern ID 24106 - Should the FEIS include text about service animals.

ANSWER: No, the info in the response applies to all federal agencies and is not something specific to this FEIS or to the NPS.

Hi Sandy and Doug,

Attached are the list of questions we went over today and their status, plus a few new ones. If the loop is closed and there is no further action, the question is highlighted in green. This document also includes the list of possible concern statements that bring up considered but dismissed issues.

I will keep compiling questions and send them tomorrow if more come up.

Thanks,
