Thanks, Lori. If you would please do the same list for alt A then we'll have the whole universe and can determine how to clarify them. Thanks.

CAHA - Alt B Information

Hi Sandy and Doug,

Below is a list of where Alternative B refers to what areas of the Seashore are open to ORV driving, as we discussed. Most of the time, we say similar to A but... and then list the differences, so there are only a handful of these for alternative B.

Pg 302, line 19 "Continued use throughout the Seashore"

Page 333, line 26, "Alternative B would designate the entire ocean beach as an ORV route or area..."

Page 366, table, Alt B "However, because all Seashore beaches would be open to ORV access..."

Page 496, line 16 "Alternative B would designate the entire ocean beach as an ORV route or area..."

Page 542, line 28 "Basically, all areas of the Seashore would continue to be open to ORV and pedestrian use, unless closures..."

Take care,
Lori
