Guys:

Looking forward to our annual trip down the first week of October. See you when we get there.

One of our members of the East Coast Anglers forwarded this to me. First, never seen anything like it. Second, never saw a turtle nest disturbed in 20 years of fishing at Hatteras. Maybe the next time the folks contending we should ban all ORV and beach access should look at these and buy a ticket to Costa Rica. Looks like they are really needed there....

Best regards,

Eric

Common Sense Is Not So Common

WILL FORWARD TO "MY WORLD" OF ADDRESS....

IS IT ANY WONDER WHY THESE PEOPLE ARE SO BACKWARDS IN ALL THAT THEY DO ? "TODAY" IS THE MOST IMPORTANT DAY IN THEIR LIVES TO SURVIVE,... WITHOUT EDUCATION.

ALL LED BY DICTATORIAL GOVERNMENTS THAT KEEP "EDUCATION" FOR TOP POLITICALLY CONNECTED FAMILY MEMBER'S AND TOP LAYER OF RICH OR VERY RICH CITIZENS OF THAT COUNTRY.
