Thanks, Carol. I think ramp 55 to Hatteras Inlet will work.

LORI: would you please incorporate these changes. Thanks.

RE: last question on beach names

We tried hard to include any area open to ORV's, especially in the June/July 2010 interviews. So we went as far as was open from ramp 55 to the inlet, but we didn't go over to the sound side. The map shows some pink line at the inlet below ramp 55, so that was part of our sample. When you're done, I can use the local names in our report.

Thanks,
Carol

Hi Carol / Ross

Cyndy and I went through the 12 locations and these are the local names.
we had a question on the ramp 55 one (see below)

Oregon Inlet Campground Beach

Bodie Island Spit

Rodanthe pier beach

Avon pier beach

Cape Hatteras Lighthouse Beach

Cape Point

South Beach

Frisco pier beach

area between ramp 55 and Hatteras Inlet Spit ? question on this one:
how far from ramp 55 did you go towards the inlet ? it's about 2 miles
to
the inlet/spit, from ramp 55.and it's not called the spit or inlet
until
you get there

North Ocracoke

Ocracoke Day Use Beach

South Point Ocracoke
