Good Morning Lori!

If you are referring to how many people total (752 as you indicated) attended the five DEIS meetings held in late April 2010.....the numbers we gave the press are as follows:

"At five public hearings held from April 26 through April 29, 793 citizens attended; 232 signed up to speak."

Quoted in the newspapers.....

Public Meeting Attendance for the
ORV Plan

Good Morning Cyndy,

I am helping Sandy put together an introduction for the concern/response report for the FEIS and in it I have that there were 752 people at the public meetings. Is this the same number you gave to the press? Just want to make sure I am saying the same thing you are.

Thanks!
Lori
