I have left a phone message requesting a meeting with Supt. Mike Murray for sometime next week Wednesday, 3/9/2011 would be an ideal date if possible. This is a follow up email so my phone message doesn't get lost in the I am a member of the Capital City Four Wheelers, Richmond, Va. four wheel drive club. We have put on a Fishing tournament the 3rd. weekend in October for the last 25 years. I would like to discuss and clarify with Supt. Murray the soon to be implemented new Regulations, Rules, etc. and how it affects our Historical Tournament. Since the complete ROD and Alternate F is not fully available and implementation is not planned to start until September 2011 according to Supt. Murray's letter in the Jan./Feb./Mar. NCBBA News. It would be beneficial to separate the fact from fiction and rumors that are swirling about over these new rules and regs from the current park and orv management under the consent decree in place today. This meeting would allow CCFW to plan our tournament, which has a considerable economic impact to the people and businesses of the Outerbanks. In past economic surveys that CCFW completed, our weekend tournament brought to the Island between \$500,000-\$1,000,000 in monetary benefits in the form of food, lodging, transportation (gas) and of course fishing supplies, in that one weekend. If Supt. Murray or his Administrative Asst. can respond to my request it would be very much appreciated Dennis T. Conroy 19 Bolling Circle Palmyra, Va.
