Please provide the link or explain how to find it to those who request it. (From the PEPC website, they need to go to the ORV project, then "Document List" to find the report near the bottom of the Document List

Ms. Holda,

The federal register indicates that details of potential beneficial and adverse economic effects of the proposed rule can be found in the report entitled "Benefit-Cost Analysis of Proposed ORV Use Regulations in Cape Hatteras National Seashore" is available online at: <http://www.parkplanning.nps.gov/caha> However, the document is not listed and is not available at the location given.

Can you send me to the link where I can view the document.

Very Respectfully,

Public Comment Period Opens on Proposed
ORV Rule for Cape Hatteras National Seashore

The National Park Service (NPS) announces that the Notice of Proposed Rulemaking for the management of off-road vehicle (ORV) use at Cape Hatteras National Seashore has been published in the Federal Register (FR). The FR Notice officially initiates the 60-day public comment period on the Proposed Rule.

SUMMARY: The NPS proposes to designate routes where off-road vehicles (ORVs) may be used within Cape Hatteras National Seashore (Seashore), North Carolina. Under NPS general regulations, the operation of motor vehicles off of roads within areas of the national park system is prohibited unless otherwise provided for by special regulation. The proposed rule would manage ORV use at the Seashore to protect and preserve natural and cultural resources and natural processes, and provide a variety of safe visitor experiences while minimizing conflicts among various users. The details of potential beneficial and adverse economic effects of the proposed rule can be found in the report entitled "Benefit-Cost Analysis of Proposed ORV Use Regulations in Cape Hatteras National Seashore" which is available online at <http://www.parkplanning.nps.gov/caha>.

DATES: The public comment period will be open for 60 days. Comments must be received on or before midnight (Eastern Daylight Time) on Tuesday, September 6, 2011. The NPS does not anticipate extending the public comment period beyond September 6 due to a court deadline for completing the final rule.
