Briefly describe your concerns. Please attach any additional information if needed.

The NPS continues to administer "access to Cape Hatteras National Seashore" on an increasingly more restricted basis as to Feral Wilder Deer (FWD). This more restrictive access is causing the loss of Fisherman to use the Park. With loss of Fisherman loss of income business had decreased by (30%) from 2009 to 2010 and from 2010 to 2011 relative to seasonal business in March & April.
