Dear Director Jarvis:

Thank you for reopening the public comment period for the proposed rule to manage off-road vehicle use at Cape Hatteras National Seashore in North Carolina. This additional time is much needed to provide adequate opportunity for input from the numerous individuals, groups and businesses that will be affected by the proposed rule, and who also continue to recover from the effects of Hurricane Irene. It is our sincere hope that the comments we provide will be duly considered and action will be taken to address our comments and recommendations.

Sincerely,
