I hate to bother you again as I know you are busy but I have one last question. My comment title reads as follows: The title came directly from the federal register notice. You will note that the title includes the RIN number but does NOT say National Park Service. Do I need to resubmit with an amended title line?

Comment Special Regulations, Areas of the National Park System, Cape Hatteras National Seashore ORV PROPOSED RULE (RIN 1024-AD85)

Jim and Ginny,

I apologize for the belated response. Your comments were received and do not need to be resubmitted. There was a backlog in posting comments for public viewing on the www.regulations.gov website and the backlog has been addressed. NPS and other Federal agencies are required to use www.regulations.gov to receive public comments on proposed rules, which is why PEPC is not receiving comments on the proposed ORV rule. PEPC is the NPS website for coordinating its management plans and environmental documents (e.g., NEPA documents) and public comments on those plans and documents.

OK so the PEPCO web site doesn't show this as open for comment and never has.

Now when will the federal register notice happen? 2 days before the deadline.

Finally, I submitted comments but have not seen them yet my numbers are as follows. Please advise as to the status so that I can resubmit if necessary.

National Park Service News Release
FOR IMMEDIATE RELEASE: DATE: September 6, 2011
CONTACT: Public Affairs Specialist, 252-473-2111, ext. 148

NPS Announces Comment Period on ORV Rule to Reopen

The National Park Service is reopening the public comment period for the proposed rule to manage off-road vehicle use at Cape Hatteras National Seashore in North Carolina. The additional comment period allows more time for those who may have been affected by Hurricane Irene to submit comments.

DATES: Comments must be received before midnight (Eastern Daylight Time) on September 19, 2011.

ADDRESSES: You may submit comments, identified by the Regulation Identifier Number 1024-AD85, by either of the following methods:
Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.
Mail or hand deliver to: Superintendent, Cape Hatteras National Seashore, 1401 National Park Drive, Manteo, North Carolina 27954.

FOR FURTHER INFORMATION CONTACT: Mike Murray, Superintendent, Cape Hatteras National Seashore, 1401 National Park Drive, Manteo, North Carolina 27954. Phone: (252) 473-2111 (ext 148).

SUPPLEMENTARY INFORMATION: On July 6, 2011, the NPS published in the Federal Register a proposed rule to manage off-road vehicle use at Cape Hatteras National Seashore, North Carolina. (76 FR 39350) The 60-day public comment period for this proposal closes on September 6, 2011. Hurricane Irene made landfall in the area of the Seashore on Saturday August 27, 2001, resulting in wide-spread damage there, and north along the east coast into New England. Because hurricane damage may have prevented some affected persons from commenting on the rule, the NPS is reopening the public comment period through September 19, 2011.

A Federal Register Notice will be published soon to formally reopen the public comment period. We do not anticipate extending the public comment period beyond this date due to a court-imposed deadline for completing the final rule. If you already commented on the rule you do not have to resubmit your comments.

The Federal eRulemaking Portal: <http://www.regulations.gov> will not receive or accept electronic comments after midnight (Eastern Daylight Time) on September 6, 2011, until the reopening of the comment period is formally announced in the Federal Register. Publication of the Federal Register Notice will also be announced by press release. However, if you submit comments on this rule by mail or hand delivery between September 6, 2011 and the publication date of the pending Federal Register Notice, you do not need to resubmit them or enter them online at <http://www.regulations.gov>. We will consider any comments received by mail or hand delivery during this period. Also, if you submit/have submitted comments prior to midnight on September 6, 2011, you do not need to resubmit them when the comment period reopens, as they have already been accepted into the system

Comments submitted through Federal eRulemaking Portal: <http://www.regulations.gov> or submitted by mail must be entered or postmarked before midnight (Eastern Daylight Time) September 19, 2011. Comments submitted by hand delivery must be received by the close of business hours (5:00 p.m. Eastern Daylight Time) on September 19, 2011. Comments will not be accepted by fax, email, or in any way other than those specified above, and bulk comments in any format (hard copy or electronic) submitted on behalf of others will not be accepted. All submissions must include the words "National Park Service" or "NPS" and must include the identifying number 1024-AD85. Comments received through the Federal eRulemaking portal at <http://www.regulations.gov> will be available on the regulations.gov web site, usually without change. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment -- including your personal identifying information -- may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information, we cannot guarantee that we will be able to do so. To view comments received through the Federal eRulemaking portal, go to <http://www.regulations.gov> and enter 1024-AD85 in the Keyword or ID search box.
