I would vote for the extension, and could not see how the court could not help but be sympathetic.

I agree with you, both as to the need for the extension and the duration.

Doug, Jason, Mike, and Rudy,

See below. I'm in the field for awhile today. I think a 2-week extension may be reasonable under the circumstances, if we consider that Hurricane Irene has tremendously affected the last two weeks or so of the comment period. I suspect the court will be understanding. I think 30 days is too much.

Mike

I am sure you have many things pressing you these past few days but here is another one we probably need to address. The Director got a fax yesterday from the American Sportfishing Association asking , on behalf of its Hatteras community, for a 30 day extension to the comment period for the ORV rule. It states the reason for the request is they are unable to respond by Sept 6 because of issues surrounding the hurricane.

The letter also cc me, Jay Jensen from CEQ, Senators Burr and Hagen, and Rep Jones.

What do you think?

Bert
