Kenny,

You are correct. However, I'm sure many of the participants will have purchased yearly permits. If they do not have a yearly permit, they will have to purchase a weekly permit. I've copied others since I'm sure this will come up again.

Thanks,

Paul K. Stevens

Paul... please give me so input on this topic from Woody... guess each of the vehicles that enter the fishing Tourament in May will need to get a WEEK PASS before they can start out on the beach for the tourament right ? There will be around 284 vehicles to process that week. I will reply back after you and I discuss this. Just wanted to make sure that I have the right information when dealing with him. Thanks Kenny

Hi Kenny,

0031801

Here's a reminder of our conversation regarding driving permits for the Fishing Tournament. Keep me posted and any suggestions regarding informing the team captains of the situation when registration begins on May 2, 2012.

Regards, Woody
