 egNeg NOI.doc (37)

Reminder to All Reg Neg Team Members:

According to the Notice of Intent, and re-emphasized in the attached press release, comment submissions regarding the Negotiated Rulemaking Committee can only be accepted if hand-carried or mailed to the park address. This means NPS is unable to accept faxed or email comments. We have received a few emails or faxes and are reminding everyone that a "hard copy" letter must be sent to the park by July 30, 2007 for the comment to receive consideration. Comments can also be made directly into the PEPC website address, also provided below. We regret the need to ask you to re-enter your comments but we are unable to make any exceptions.

I have "cut and pasted" the excerpts directly from the press release and attached the entire press release again. Thank you for your interest in Cape Hatteras National Seashore.

HOW TO COMMENT: Written comments and/or applications for membership may be submitted to Mike Murray, Superintendent, Cape Hatteras National Seashore, 1401 National Park Drive, Manteo, North Carolina, 27954. Alternatively, comments and applications may be submitted on-line through the National Park Service (NPS) Planning, Environment and Public Comment system (PEPC) at <http://parkplanning.nps.gov/CAHA>. To comment using PEPC, select the "Cape Hatteras National Seashore ORV Management Plan/DEIS project," select "documents," select this "Notice of Intent," and then select "Comment" and enter your comments. Only comments and/or applications submitted through PEPC or hand-carried or mailed to the address above will be accepted.

COMMENT DEADLINE: Comments and/or applications or nominations for membership on the Committee must be received by close of business on July 30, 2007.

Please pass this information on to any interested parties.
