Hatteras Proposed Reps, Alternates, Liaisons and Interested Parties:

We have taken all of your schedules and chosen dates for the first six months of 2008 for Reg Neg work. Our expectation is that three or maybe four of these dates would be for formal meetings, and that one (or two) would be for subcommittee meetings or other Reg Neg related work.

Jan 3-4 (Thurs-Fri) - reg neg meeting
 Feb 26-27 (Tues-Weds) - reg neg meeting
 March 18-19 (Tues-Weds) - for subcommittee work May 8-9 (Thurs-Fri) - reg neg meeting or possible subcommittee work June 17-18 (Tues-Weds)- reg neg meeting or possible subcommittee work

These were the best dates we could find. We know that not everyone can be at all of these, but we did our best to identify days when either the member or the alternate of any particular seat should be available.

The committee paperwork is moving along. It has cleared the Park Service and the Assistant Secretaries within the Department of Interior. It still has a few final necessary sign offs to go.

Best,

Ona, Robert and Pat
