David,

I'll be able to respond soon. I've been waiting for Solicitor input on issues related to this and have a follow-up call scheduled with them early in the week.

Have a good weekend,

Mike,

While I realize you have many irons in the fire with regard to Reg/Neg, I am

also growing tired of hearing that as an excuse for indecision. Our request to open all village beaches to ORV use on behalf of the NCBBA membership and

the American people at large should be a day to day operational decision outside of Reg/Neg. Finalization of REG-NEG, NEPA and final rules writing may be/probably is 2-3 years in the making. I urge you to fulfill the duties of Superintendent, reopen the beaches in front of Frisco and Hatteras

villages and treat all the Village Beaches within the Seashore equitably.
