---

ALL

Two things. A reminder that the call for our permits/passes subcommittee is:

Friday, 10 AM, 10/10 (all those 10s should help with memory).

Dial In #: 866-667-0068

Participant Code #: 6457552#

Mike also wants participants to look at the below web site as background for when we talk about education (see email below).

**Subject:** Re: Permits/Passes Subcommittee call this Friday 10 AM/ 10/10

Pat,

NPS is thinking about using the Tread Lightly program to help develop an ORV education program for Cape Hatteras. We would be interested in feedback from the Committee on this idea. If the Permits subcommittee is going to discuss "education" perhaps it would be worthwhile for members to familiarize themselves with Tread Lightly and their various programs, including: Government Resources, Restoration for Recreation, HUMMER's Recreation Rescue, Tread Trainer, and Master Trainer. I could envision Tread Lightly helping us develop a CAHA ORV user education program, then we use their Trainer and Master Trainer programs to train volunteers to conduct the training for the public, with NPS having a staff or two certified as the train-the-trainer. Information about Tread Lightly can be found at:

<http://www.treadlightly.org/> ; or

(See attached file: Tread Lightly - Hummer's Recreation Rescue.htm)

Feel free to forward this message to the subcommittee.

Mike Murray

Subject  
Permits/Passes Subcommittee call  
this Friday 10 AM/ 10/10

ALL

It looks like the best time for a permits/passes subcommittee call is this Friday, 10 AM, 10/10 (all those 10s should help with memory).

Dial In #: 866-667-0068

Participant Code #: 6457552#

I am attaching flip chart notes from the full Committee discussion of the subcommittee's work (check out page 3 for this subcommittee) as well as our latest draft document which needs to be revised in lieu of the Committee discussion.

I hope we might cover in 1 to 1.5 hours:

- Revision of the document per the Committee's advice

- Check in with the Park on questions regarding legal authorities and passes/permits approaches (such as, can one issue a parking and driving permit?)
- Discussion of education and enforcement as key elements of a permit/pass system.

Talk to you all on Friday.

PAT FIELD
