Attachments: Twilight and Sea Turtle Nests at CHNS 97 to 07.xlr

```
Had meant to send you this but had not run accross my note to myself to do it. Sorry for the delay.
Thanks,
Larry

Subject: turtle nesting info
> > Hi Larry,
> If you would please email me the sea turtle nesting information you showed
> If you would please email me the sea turtle nesting information you showed me at the last meeting (i.e., the spreadsheet showing the numbers of nests by calendar weeks), then I will get it graphed to share with the Natural > Resource subcommittee. I think the information would help illustrate the relatively low percentage of nests that are theoretically "at risk" prior > to June and after August.
