Dear Mr. Murray:

This letter is to inform you that the N.C. Marine Fisheries Commission has reviewed the Addendum to the Final Report of the Proceedings of the Negotiated Rulemaking Advisory Committee for Off-Road Vehicle Management at Cape Hatteras National Seashore prepared by the United Four Wheel Drive Association et al. After careful consideration of the need to balance resource protection and the accommodation of users of the Cape Hatteras National Seashore, we believe that the afore-mention addendum best outlines approaches to accomplish those goals.

We hope that the issues and approaches outlined in this document will be carefully considered as you develop an ORV management Plan under the NEPA process.

Sincerely,

Mac Currin
